Certification

- I certify that the information contained within this application is complete and accurate to the best of my knowledge. I understand that any false or missing information may disqualify me from consideration; I confirm that the essays and responses submitted here are authentic reflections of my experiences and ideas. While I may have used mentors, peers, or AI tools solely for brainstorming, proofreading, or surface-level editing, the final text is entirely my own. I acknowledge that presenting AI-generated or heavily AI-edited prose as mine violates this certification and may lead to withdrawal of a scholarship offer.

Written Reflections & Insights

In addition to the personal statement, you are required to prepare answers to the questions listed below. Please submit these responses in a separate Word file.

Required Essays

1. **Influence and Leadership:** Give an example where you persuaded peers or supervisors to adopt a new idea, protocol, or tool. Outline the objective, your key influence tactics, the eventual outcome, and what the episode taught you about motivating others.
2. **Systemic Analysis and Problem-Solving:** Identify one systemic problem in Taiwan's NHI environment that you have personally encountered. Analyze the root causes, propose a solution that involves at least two stakeholder groups, and outline the first pilot step you would take within 12 months. (max 1000 words)
3. **Curiosity and Continuous Learning:** What area of healthcare are you most curious about, and how do you stay informed about new developments in this field? Please describe a recent source of information (e.g., article, podcast, research study, conversation, or other learning resource) that has influenced your thinking, and explain how you have applied or plan to apply that knowledge in practice. (max 1000 words)
4. **Vision and Long-Term Impact:** Paint a picture of Taiwan's healthcare landscape in 2035. Describe the role you intend to play, aligned with your chosen master's track, and list two milestones you aim to reach within five years after completing the scholarship. (max 1000 words)

Short Answer Prompts

1. **Track Selection and Motivation:** Which track are you selecting and how does it align with your career goals and aspirations in healthcare? Please explain why this track is the right fit for you at this stage of your professional journey. (max 250 words)
2. **Personal Motivation for Healthcare:** Why did you choose healthcare as a career? (max 250 words)
3. **Ethical Decision-Making and Reflection:** Tell us about a clinical decision that kept you up at night. What ethical principles or personal values shaped the final choice? (max 250 words)
4. **Handling Failure:** Describe a time when you faced a professional setback. How did you respond, and what did you learn from the experience? (max 250 words)
